

# Capability Statement

## Reinforcing steel (production capacity)

Processed reinforcing bar – 140 tonnes per day or 2800 tonnes per month.

Reinforcing steel mesh (mesh production capacity)

Standard mesh sheets (6m x 2.4m) 2500 to 2600 sheets per day, we also produce trench mesh and mesh cages.

## Scheduling and estimating

Neumann Steel has a commitment to providing superior levels of customer service and to allow us to achieve this we have an experienced team of fifteen “in house” schedulers, in addition to these we also have the services of six contract schedulers.

## Recent projects completed

Project	Description	Tonnage
Circle on Cavill	53 & 73 level towers	12,000
Avalon	33 level tower	3,300
Q1	79 level tower	10,000
Pacific Harbour	Reventment walls	2,000
